Grand Theatre Center for the Arts | 715 Central Ave. Tracy

Thank you for your interest in becoming an independent Contract Instructor with the City of Tracy. We are excited about the possibility of working together to reach our common goals and serve our community. This handbook will help you to better understand the procedure of becoming a Contract Instructor with the Arts Education Program at the Grand Theatre Center for the Arts.

## **GRAND THEATRE CENTER OF THE ARTS**

The Grand Theatre Center for the Arts serves to enrich the City of Tracy and surrounding communities with fine arts education opportunities. This municipal interdisciplinary arts center is the only one of its kind in the state of California offering professional and community-based fine arts programming through arts education, exhibitions, performances and rentals of all kinds, in a single complex, and is one of only small network of similar facilities in America.

The facility opened in September of 2007, hosts 50,000+ patrons a year. The Center is owned and operated by the City of Tracy and managed by the Cultural Arts Division in the City Manager's Office.

## **ARTS EDUCATION PROGRAM**

The Arts Education Program (AEP) is a unique and complex component of the Center. This dynamic program fosters life-long learning by offering tiered classes in dance, drama, music, literary and visual arts. Students of all ages are able to participate in year-round courses taught by accomplished instructors in our specialized facility.

The Center features dedicated and high-quality studio classrooms in visual arts, a college-level ceramics lab, a beautiful dance studio, a multi-purpose children's studio, and four music rooms, including one for group instruction with a resident baby grand piano, a percussion lab, one for private instruction, and a digital recording lab.

Since opening in 2007, the Arts Education Program has taught over 24,000 students. There is no other facility in our region able to offer such a valuable set of resources to children, teens and adults!

The Arts Education Program is in search of skilled specialists who can contribute high educational value to the program, advance student learning, and offer creative and fun classes to the community.

## HOW TO GET STARTED

In order to become a Contract Instructor for the Arts Education Program, a potential instructor must first do the following:

1. Submit an Arts Education Contract Instructor Application
2. Submit an Arts Education Course Proposal Form

### Arts Education Course Proposal Form

Prospective Instructors who wish to teach at the Grand must complete a course proposal form for each class they intend to offer. Returning Contract Instructors will not automatically be enrolled for the following instructional session until a course proposal form is submitted to the Cultural Arts Program Coordinator by the deadline.

### Deadlines

To place activities in the Arts Education Catalog, time must be allotted to create, edit, print, and d the guide each semester. Therefore, proposals must be submitted by the following dates:

**SUMMER - January 10**

**FALL - April 30**

**WINTER/SPRING - August 15**

African Drumming

Polynesian Dance

Pottery from the Ceramics Studio

Printmaking

Art for Children with Special Needs

## **INSTRUCTOR REQUIREMENTS**

Once the City of Tracy enters into the Contract for Instructional Services, the following documents must be obtained by the instructor prior to the start of teaching:

### **1. Business License Tax and Fees Application**

All independent Contractor Instructors who perform a service for the City of Tracy are required to obtain a City of Tracy Business License. Applications are available online at <https://tracy.hdlgov.com/>.

### **2. Fingerprinting**

The City of Tracy requires that all Contract Instructors and Instructor Assistants complete a background screening with the City of Tracy before teaching with the Program. Contract Instructors will receive a Live Scan Form from the Cultural Arts Program Coordinator once they have signed their Professional Services Agreement Contract. Contract Instructors must visit the City of Tracy's Police Department during specified daytime hours to complete their background screening. Be prepared to bring a picture I.D. card or Driver's License to the screening.

### **3. General Liability Insurance**

The City of Tracy is a part of a self-insured insurance pool known as the "Joint Powers Authority" or the JPA. In the event that an accident or injury occurs, and a claim is brought against the City of Tracy, the JPA will defend it. The JPA will not defend or pay out any claims brought against an Independent Contractor.

The City of Tracy requires that all Contract Instructors obtain a separate general liability insurance of \$1,000,000 to protect themselves from any claims brought against them. The City recognizes that there may be little risk involved in program activities, but the Contract Instructor is still required to obtain liability coverage. Before teaching, Contract Instructors must provide a copy of their insurance certificate to the Cultural Arts Program Coordinator.

The City of Tracy must be listed as the certificate holder and additionally insured with respects to General Liability:

City of Tracy  
333 Civic Center Plaza  
Tracy, California, 95376

#### **4. Form W-9**

The City of Tracy does not withhold State or Federal Income Tax, but will report the Contractor's income via Form 1099. Instructors will receive a W-9 form to complete.

#### **5. Tuberculosis (TB) Test Certificate**

California State regulations require any person employed in connection with a park, playground or recreational center to produce a valid TB test certificate prior to employment. TB certificates must reflect an examination within the past two years and show the individual has been found to be free of communicable tuberculosis. Contractors must complete and submit the Certificate of Tuberculosis Results for themselves and their employees, teacher assistants and/or volunteers. TB tests will be at the contractors own expense. Please refer to California State Law 5163.

In the case of an individual class date cancellation, Contract Instructors are responsible for contacting the Cultural Arts Program Coordinator, Staff, and participants immediately of the cancelled date. A make-up date should be scheduled immediately. If a make-up class is unable to be scheduled, the Arts Education Staff will process appropriate refunds for the cancelled class date.

### **Course Rosters**

All Contract Instructors will be set up with an account in *ActiveNet*, the City of Tracy's registration software. This will allow you to view your class schedules, view and print attendance sheets or sign in sheets, and email your participants. This internet based software can be accessed at any time allowing you to view your most up to date class rosters. Please contact Arts Education Staff for assistance with this software or if you would prefer a print out of your class rosters.

### **Contract Instructor Payment**

Contract Instructors receive a percentage of the participant fees. Larger participation levels will yield a larger income for the Contract Instructor. All payables in the City of Tracy are Net 30, meaning payments will be issued within 30 days of completing the course. Checks will be mailed unless other arrangements have been made. If interested, please talk to the Cultural Arts Program Coordinator about setting up direct deposit for payments.

### **Standard Revenue Split**

A standard split of 60/40 will be applied to compensate Contract Instructors unless otherwise negotiated. Contract Instructors will receive 60% of the primary activity fee received from class registration. The remaining 40% is retained by the City of Tracy to cover general operation costs and marketing.

### **Reviewing Proposals**

Once all Course Proposal Forms have been received for the upcoming semester, the Cultural Arts Program Coordinator and Cultural Arts Supervisor will review the content for accuracy and determine if it reflects the Department's vision and goals. These proposals will then be presented to the Arts Education Program Advisory Committee (AEAC) for community and peer evaluation and recommendation.

The Cultural Arts Program Coordinator will then contact the applicant and discuss feedback about their proposed classes and terms of a written agreement. A written contract is then produced listing the specific course, dates, times and fees.

### **State of California Visual and Performing Arts Standards (VAPA)**

Classes for children grades kindergarten through twelfth grade must support the State of California's Visual and Performing Arts Standards. VAPA is a guide developed to ensure that all students meet or exceed the content standards in dance, music, theatre, and visual arts. The standards are approached through five strands: artistic perception; creative expression; historical and cultural context; aesthetic valuing; and connections, relationships and applications. If you are proposing to teach a class for children, please be prepared to briefly explain how the class may connect to the VAPA standards.

## **POLICIES & PROCEDURES**

The City of Tracy holds Contract Instructors accountable for the following policies and procedures:

### **Representing the City through Professional Conduct**

It is imperative that Contract Instructors be helpful and courteous at all times. If a Contract Instructor, participant, or guest engages in an inappropriate or unsafe manner, he or she will be asked to leave the premises. Possession or use of drugs or alcohol while conducting or participating in a class is strictly prohibited.

Contract Instructors are responsible for basic cleanup of the room which includes but is not limited to: wiping down tables and counter tops, cleaning and putting away supplies used during class, restacking chairs and turning off lights.

### **Releasing of Minors**

At the end of the class, the Contract Instructor must not release children to anyone other than the authorized parent, guardian, or to an individual authorized by the parent. Never release a child to someone who is unknown to the child or about whom the child expresses fear or uncertainty. The Contract Instructor must stay until all participants have left the facility. Children should wait inside the Grand building until picked up; please do not allow children to leave the building to meet their parent/guardian outside.

### **Contract Instructor's Relationship with Participants**

The Contract Instructor must not have unobserved contact with individual class participants at any time. Parents should be invited and encouraged to visit program sites at any time on a drop-in basis and do not need to ask permission to visit.

The Contract Instructor's primary responsibility is to ensure the safety of participants involved with the activity. If any aspect of the area appears unsafe, it is your responsibility to notify Staff and to take actions that will ensure participant safety.

### **First Aid Provision**

All accidents must be reported to an Arts Education Program Staff member immediately. An Incident or Accident Report Form may be filled out by staff with the assistance of the Contract Instructor.

It is the Contract Instructor's responsibility to know where the first aid kit is located in each room. For minor first aid (band-aids, etc.) the first aid kit will suffice. For serious accidents, DO NOT MOVE the injured participant, call 9-1-1, and notify Grand Staff. If a child is involved the parent/guardian must be notified immediately.

### **Discrimination and Harassment**

The City of Tracy has a strong policy against any form or type of discrimination and harassment by, among, or to its representatives. Discrimination and harassment can be defined as any behavior that is disrespectful and causes discomfort to another person, be it physical, verbal, visual, or sexual. Contract Instructors are responsible for their own actions/conduct, and must never engage in discrimination and harassment.

### **Americans with Disabilities Act (ADA)**

The ADA is federal legislation which gives civil rights protection to individuals with disabilities similar to those rights provided to individuals based on race, sex, national origin, and religion. It guarantees equal opportunity for individuals with disabilities in employment, public accommodations, transportation, local and state government services, and telecommunications.

It is the policy of the City of Tracy to fully comply with the provisions of the ADA and to make reasonable accommodations to individuals with vision or hearing impairments, or other disabilities so that they can have an equal opportunity to participate or benefit, unless an undue burden would result.

## **PROMOTING YOUR COURSE**

Your course will be listed in the Arts Education Catalog that is mailed to past participants in the local area and distributed to businesses in downtown Tracy, but it's important that Contract Instructors conduct some additional outreach to ensure the success of the course. Here are a few ways to go about promoting your course:

Once promotional material is created, please email items to the Cultural Arts Program Coordinator for review and approval. Please allow one week for the review and approval process.
