

FUSED GLASS LAB

Fused Glass Open Labs are held Tuesdays, 4:30 to 7:30 pm. Students can work independently in our glass studio during open lab time. No class enrollment is required, but instruction is not provided.

During open lab times, you will have access to a variety of tools such as glass cutters a glass grinder. Scrap glass is also available for use. Pieces created during open lab times will be fired. Minimum age to participate is 14.

Cost

Drop in for one-day lab access is \$20 for residents of Tracy and \$22 for non-residents. We offer a punch card at \$100 for residents and \$110 for non-residents. With your punch card you will have six entries for the price of five, which you can use whenever our fused glass open lab is running. Punch cards expire one year after the first date is used.

Glass Available for Purchase

Glass materials such as 10 x 10-inch sheets of glass, frits, and stringers are available for sale during open lab times. We offer a variety of glass sheets, including opalescent, transparent, and streaky glass. We also have a variety of frits available for purchase including powders, fine, coarse, and medium. Stringers / glass rods are also available in select colors, ranging from 0.5mm to 2mm. Prices range.

Fused Glass Firings

The Grand is pleased to provide slump, tack, and full fused glass firing services to the local arts community. When your piece(s) are ready, please make an appointment to bring your unfired projects to our studio. The cost of firings is dependent on the size and amount of work. We will provide you with a finalized price when pieces are ready for pick up. Please note this special service is contingent on our acceptance of materials to be fired; we reserve the right to reject work that includes paper, metal, or unidentified materials.

Please contact the Ceramics Technician for more information about firings and availability.
