

EXHIBITION OPPORTUNITIES FOR ARTISTS, CURATORS & LENDERS

• 2026 OPEN CALL FOR PROPOSALS •

The Grand Galleries are a contemporary visual arts space located within the Grand Theatre Center for the Arts in historic downtown Tracy, California. This celebrated interdisciplinary fine arts and educational facility hosts over 50,000 visitors per year, and is owned and operated by the City of Tracy. The Exhibitions Program (EP) provides professional exhibition opportunities in the Central Valley near the Bay Area and Sacramento. Negotiable funding is available for the production and display of public programming. In addition, the EP is interested in partnering on grant-funded projects.

The Exhibitions Program seeks diverse programming proposals from artists, curators, educators, collectives, and collection lenders. Proposals will be reviewed by the Exhibitions Program Advisory Committee and recommended for exhibition opportunities. Proposals are open to all media including installation, new media, and performance art; there are no geographic restrictions. Work must have been completed in the past three years unless part of a thematic project or collection. Artists may also submit proposals for new works, providing samples of representative work for review. As the Galleries are part of a larger interdisciplinary arts center fostering community involvement and life learning, collaborators who are available for interactive events and programming are preferred. Proposals must be mailed as instructed below and all submitted materials should be considered a public document as property of the City of Tracy. Incomplete proposals are subject to disqualification.
